On September 22-23, I will experience (some of) what it's like to be homeless and cold. Inside a temporary 'home' that I've built myself from cardboardboxes and blankets, I'll experience homelessness so I can raise awareness and money to help families in Kootenai County who have no place to call home. Your generous donation will benefit the families served by Family Promise of North Idaho. Every dollar you pledge will contribute to helping these families get back on their feet. Thank you!
