Cardboard Box City 2016

Group Name: _____

On October 7-8, I will feel what it's like to be homeless and cold, inside a temporary 'home' that I've built myself from cardboard boxes and blankets. I'll experience homelessness so I can raise awareness and money to help families in Kootenai County who have no place to call home. Your generous donation will benefit the families served by Family Promise of North Idaho. Every dollar you pledge will contribute to helping these families get back on their feet. Thank you!
