

# Family Promise of North Idaho invites YOU to our 11th Annual Cardboard Box City!

## ***What is it?***

*Cardboard Box City is a Homeless awareness event focused on educating youth on the realities of homelessness while raising funds for Family Promise. It's an outdoor event; an afternoon/overnight camp out style event where participants design and build a cardboard box to sleep in overnight in the elements to experience a small part of what homeless children in our community experience every night.*

## ***Who can participate?***

Anyone! Children, parents, young and old, we encourage everyone, families, youth groups, clubs, sports teams, community organizations, and businesses to come learn about the plight of the homeless in North Idaho and how you can help.

## ***When and where?***

**May 18, 2018 (overnight) at Community United Methodist Church 1470 W Hanley CdA, ID 83815**

***\*Check in begins at 3 PM***

## ***How it works...***

- Register online at [www.familypromiseni.org](http://www.familypromiseni.org), email [cardboardboxcitycda@gmail.com](mailto:cardboardboxcitycda@gmail.com), or call 777-4190 to schedule a time to pick up a packet.
- Work to pay your 'rent' by collecting pledges/donations to be a resident of Cardboard Box City. Set a goal \$25, \$100, or as high as \$1000 (it can and has been done).
- Supply, create, and decorate a home of cardboard to sleep in.
- Or bring a *tent* and decorate the outside and sleep in it!
- Experience one night of homelessness in the elements. Rain or shine, the event *will* take place.
- Enjoy a 'Soup Line' dinner, continental breakfast, contests, prizes, and the gift of helping others.

Sleep in a box or tent one night for families who do every night.
