Dear Friends of Family Promise,

We don't believe children should sleep in cars, tent cities, or under bridges. I am writing this on behalf of Family Promise of North Idaho (FPNI) and the families we serve who are facing homelessness. FPNI is committed to helping homeless children and their families achieve sustainability. We do this by working with over 500 volunteers and 20 congregations to provide safe shelter, meals, and support services, as well as delivering programs designed to address the underlying causes of their homelessness.

Approximately 80% of families leaving Family Promises shelter, successfully secure permanent housing or transitional housing.

In order to maintain our program, we rely on the generosity of others, either by private donation or fundraisers. This year's Cardboard Box City, our 10th annual, will be held on Friday, May 18th, at Community United Methodist Church, 1470 W Hanley Ave. CdA. We, (FPNI Volunteers and local youth), will build a city of boxes and collect sponsorships. We sleep in a box so children don't have to!

We are asking for donations of merchandise, gift certificates, or monetary (see Sponsorship Packet). We use these items for prizes for the youth, and items to be utilized at the event. All money raised will go to the program. This event is a 'no cost event' thanks to the generosity of local businesses in our community.

A donation receipt will be mailed from our office upon request.

Thank you for your consideration.
