

Dear community supporters,

With the holiday season in full swing, we hope that you and your families are happy, healthy, and full of cheer. We can't thank you enough for all of your generosity. You've helped keep our program staffed and supplied, furthering our mission of restoring less fortunate families to a position of housing and job security.

If you're shopping at Amazon this holiday season, please consider taking advantage of their Amazon Smile program to support our cause. The Amazon Smile program donates 0.5% of the amount you spend on qualified purchases to the charity of your choice. All you have to do is select **Family Promise of North Idaho, Inc.** as your charitable cause, then start at smile.amazon.com each time you shop. It's an easy way to extend your holiday giving and bring a little extra cheer to local families in need.

1

Log in to [Amazon Smile](https://smile.amazon.com) using your regular Amazon username and password.

The screenshot shows the Amazon Smile login interface. At the top, it says "amazon smile". Below that, it reads "You shop. Amazon gives." and explains that Amazon donates 0.5% of the price of eligible purchases to a charitable organization. It provides instructions on how to support a charitable organization by starting shopping at smile.amazon.com. There is a text input field for "Email (phone for mobile accounts)" and a yellow "Continue" button. At the bottom, it states "By continuing, you agree to Amazon's Conditions of Use and Privacy Notice." and includes a link for "Need help?".
